EVENING TOUR

INCLUDING AN OBSERVATORY!

PREFERRED & HIGHLY RECOMMENDED

#1 EVENING GLOW WORM TOUR!

Wave goodbye to the glitz and glamour of the Gold Coast's nightlife for a peaceful evening escape back to nature.

Enjoy an evening adventure into the Rainforests, let our highly qualified eco-tour guides show you one of our World Heritage Listed National Parks, as you have never seen it before. Join a small group for an evening rainforest walk, to see the sparkling

Glow Worms in a cave and experience the night forest by torchlight and discover the amazing hidden antics of nocturnal wildlife and possums in its surrounding flora. Take a guided rainforest walk through the spectacular National Park by night.

Allow thousands of mystical Glow Worms to light your way through the unique cavernous environment, one of the highlights of your night!

Then you are off to the Springbrook Research Observatory for some real stargazing! Touch a meteorite and speak with our local Astronomer. Enjoy a delightful supper before heading back to the Gold Coast.

**Exclusive Location
